# SC Parents Resource Network

**Membership is easy! No membership fees.  
No interviews. No complicated onboarding process.**

SC Parents Resource Network provides community-based organizations with opportunities to connect to each other and to families seeking help. By joining the network, members unlock free tools, training opportunities, recognition and more.

## Membership Builds a Stronger Safety Net

Our goal is to help parents find your programs and services. Because when we help you, we help families and their children.

### Six Reasons to Join Today

- 1. Lose the Post-it notes!** Our closed-loop referral system helps you more efficiently and effectively manage your clients and where you have sent them for help.
- 2. Stand out in the crowd.** Your programs will have priority listings in findhelp searches to ensure your organization is seen by those needing help.
- 3. Use your time for what matters most.** Free training and technical assistance ensure the time-saving tools work hard for you.

- 4. Show your commitment to excellence.** Our welcome kit will help you share the news of your membership.
- 5. Be the first to know!** With advance notice of training opportunities and network news, you won't miss a chance to serve your clients better.
- 6. It's free!** All of this is available at no charge to your organization.
